

Junior Clinical Fellow opportunity in South Paris

Hôpital Bicêtre, a university teaching hospital in South Paris, is currently seeking applicants for junior clinical fellow posts in emergency medicine, ideally to commence in August 2019. Posts are based in the adult emergency department, which has a patient turnover of approximately 230 patients daily. All clinical work is in French and shifts are divided between resus, majors, minors and the clinical decision unit.

Post details:

- Faisant Fonction d'Interne (FFI, the French equivalent of a junior clinical fellow post)
- Would suit either an ACCS trainee looking for an out of programme experience or somebody who has finished F2 but hasn't yet started specialty training
- Option of a 9 or 12 month contract
- Start date flexible; preferably the first week of August
- Applicants must have finished F2
- Applicants must have completed an emergency medicine rotation in the UK
